

LEARNING VICTORIES

LIGHT YOUR CHILD'S FIRE TO LEARN

Children learn more quickly when success is a tangible, achievable goal. They respond with enthusiasm when they are stimulated by victories.

Parents and teachers alike are searching for the key to help facilitate learning in their students and **NICK AMBROSINO**, having spent 30 years in the field of education, is the learning specialist with the solutions to this pressing need. His educational tools are highly regarded by parents and teachers

across the country as the gold standard for student-centered motivation and accountability.

His speeches and seminars ignite a fire in educators searching for answers.

His two best-selling books, *Coffee with Ray – A Simple Story with a Life Changing Message for Teachers and Parents* and *Lessons with Matt – An Inspiring Story of Success Strategies for Teachers and Parents of Tweens and Teens*, are available on Amazon and Smashwords.

with Matt – An Inspiring Story of Success Strategies for Teachers and Parents of Tweens and Teens, are available on Amazon and Smashwords.

“Nick’s insights are filled with intuition and metaphors that shed light on an approach to delivering information that is brain compatible with the nature of learning. Educators, parents, coaches, and instructors will gain a great deal from Nick Ambrosino.”

– MICHAEL HEBRON
PGA Hall of Fame

“It is rare for someone to strike the perfect balance between academic knowledge about learning and the real-world challenges associated with fostering learning in another. We are either exposed to ‘the experts’ telling us what we should do with very little understanding of what it takes to implement, or ‘the practitioners’ claiming to know what works without actually having the research to back it up. Nick appropriately conveys the importance of both the evidence and the experience in a very compelling way.”

– JIM LAUCKHARDT, PhD
Applied Behavioral Science

SPEAKING TOPICS

for Conferences, Assemblies, Workshops & Keynotes

The Triumph of Learning

How to motivate your student/child to move beyond the mediocre to the magnificent – reversing self-defeating mind sets in learning.

Removing Learning Road Blocks

This ONE simple concept will quickly turn the red lights of learning into green lights for success.

Accountability Creates Empowered Learning

Construct skill sets that build the motivation to learn.

Diamond Distinctions

Three success principles that will help your child/student become a sensational learner.

“If this information was available when I was teaching my Method courses as a Professor, I certainly would have placed it on the required reading list for education students in all disciplines. A must for all teachers.”

– DR. BERT KONOWITZ
Professor Emeritus, Teachers College,
Columbia University
